Condor School Council Meeting
Tuesday October 18, 2016

1. Meeting came to order at 7:00

2. Principal's Report
 - The Dance was a big success!
 - Math Meeting – 10 parents attended
 - Grade 5 – Classroom Champions is a great opportunity, something to look at for more than just the grade 5 class. It's encouraging for the students as they hear from the Olympian chosen for their class.

3. Teacher's Report (nothing at this time)

4. Trustee's Report (Gary was unable to attend the meeting)
 - Umbrella meeting is Nov 17th. Parents are encouraged to attend this very informative meeting.
 - Fall budget projections are in. We were expecting to receive around \$40,000.00. But as it turns out Condor will only be receiving about 5%

5. Old News – (none at this time)

6. New Business
 - Mrs.Kalev reviewed the PAT/ Accountability pillar with us.
 - Measure results are as follows: Current year 71.2% over all Provincial result 73.6%
 - Some were survey responses from parentsWe can input into our Governments change to the Curriculum through Facebook, deadline for this is Nov 15 – Parents your voices will be heard

Learning Commons Room -

Mrs. Kalev enlightened us on the new and fresh way for our school to create an awesome learning space with our library. This does not take away from the resources that are already available through the library but adds to it. There would be opportunity for learning through Lego building, Maps, etc. This room would be available for classes to not only read, but enhance their learning through different ways. That may not be met through the classroom. This is government mandated.

Thank-you so much to Conoco Philips for donating \$1500.00 toward the renovation and expansion of the new learning commons! As well there is \$5000.00 put aside through the budget to move forward on this project. As well thank you to Leah Casey and Sandra Fridd for heading up this project.

Motion to approve September meeting minutes Liz Lozo
2nd the motion Sara Hay

Meeting adjourned at 7:45pm
